

## Appendix H: List of Interview Questions

1. How long have you lived/worked in the area?
2. Are you familiar with the AMCO Chemical Site? How would you rate your familiarity on a scale of 1 – 10?
3. Do you live near the Site or know people who do?
4. Are you familiar with the history at the Site? Are there questions we can answer for you at this time about its history?
5. How did you first become aware of problems at the Site?
6. Have you participated in other activities related to the Site prior to this interview? For example, have you attended any meetings, written any letters, etc.?
7. What would you say are your biggest concerns about the Site?
8. What would you like to see happen with the Site in the future?
9. What has your experience been with government agencies at the Site?
10. How can your interactions with agency officials be improved? How effective has EPA communication been in the past?
11. If you had questions about the Site, who would you contact?
12. How would you like to receive information about the Site from EPA in the future?

Activity	Frequency
<input type="checkbox"/> fact sheets	_____
<input type="checkbox"/> internet	_____
<input type="checkbox"/> news media	_____
<input type="checkbox"/> workshops	_____
<input type="checkbox"/> public notices	_____
<input type="checkbox"/> posters in the neighborhood	_____
<input type="checkbox"/> neighborhood/community grp	_____
<input type="checkbox"/> public meetings	_____
<input type="checkbox"/> other	_____

13. Would you like to be placed on our mailing list for updates of Site activities?
14. What days and location would be best for public meetings? Are weekday evenings the best times for you to attend public meetings or would another time of day be better?
15. Do you think that keeping information about the Site at the West Oakland Branch Library is a good location? Could you suggest any other locations?
16. How would you like to be involved in future Site activities? How would you suggest we involve your neighbors?
17. Do you think there would be support to start a Citizen's Advisory Group that would advise EPA on the Site? If we had one, would you consider submitting an application to become involved?
18. Do you know any former AMCO employees in the area that could be contacted for interviews?
19. What other individuals or organizations do you think we should contact about the Site?
20. Is there anything else you would like to share about your thoughts, concerns, or experience with the Site?
